The diagram consists of three rectangular boxes arranged horizontally, connected by blue arrows pointing from left to right. The first box on the left has a gray background and contains the text 'tqdm::tqdm_for_rvalues' followed by '::set_min_update_time' on a new line. The middle box has a white background and contains the text 'tqdm::tqdm_for_lvalues' followed by '::set_min_update_time' on a new line. The third box on the right also has a white background and contains the text 'tqdm::progress_bar' followed by '::set_min_update_time' on a new line. All boxes have a thin black border.
