

tqdm::Chronometer::peek

```
graph LR; A[tqdm::Chronometer::peek] --> B[tqdm::elapsed_seconds]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'tqdm::Chronometer::peek'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'tqdm::elapsed_seconds'.

tqdm::elapsed_seconds
